

CIFRADO DE BAJO DADO

con inversiones

1.- Procure encontrar las cadencias

2.- Revise si hay segunda inversión antes del dominante

The image shows a musical staff in bass clef with a 4/4 time signature. The staff contains the following notes: G2 (half), A2 (quarter), B2 (quarter), C3 (half), B2 (quarter), A2 (quarter), G2 (half), and F2 (half). Below the staff, there are figured bass labels: 'V' is centered under the C3 note; '6 4 / 5 3' is positioned under the G2 and A2 notes of the final measure; and 'I' is centered under the F2 note.

3.- Busque los acordes principales sin invertir

The image shows a musical staff in bass clef with a 4/4 time signature. The staff contains a sequence of notes and rests corresponding to the following chords: I, IV, V, V, I, IV, a figured bass (6 4 over 5 3), and I. The figured bass is written as 6 4 over 5 3, with I and V written below it.

I IV V V I IV 6 4 5 3 I V

4.- Las notas restantes pueden ser otros grados o inversiones de acordes.

Recuerde que:

El acorde de segunda inversión no es usado como acorde principal de compás

Tenga en cuenta el movimiento de las funciones

Antes de un V grado puede colocar un I grado en segunda inversión

The image shows a musical staff in bass clef with a 4/4 time signature. The staff contains a sequence of chords represented by notes and figured bass notation below the staff. The chords and their figures are: I (C), 6 (F), IV (Bb), V (F#), 6 I (C), 6 IV (Bb), 6 4 I (C), 5 3 V (F#), 6 I (C), 6 4 V (F#), I (C), IV (Bb), 6 4 I (C), 5 3 V (F#), and I (C). The figures are written in a way that indicates the intervals between the notes of the chords.

Armonización del bajo con inversiones

- 1.- Trate de elaborar la línea melódica primero, esto le permitirá ver el registro que usará su arreglo
- 2.- Recuerde que voz es preferible duplicar en cada inversión
- 3.- De ser posible, mantenga el movimiento contrario de la melodía al bajo en los acordes sin invertir. Esto va a crear melodías más limitadas creativamente pero en cambio hará más fácil de armonizar el ejercicio.
- 4.- Para comenzar está bien ser poco creativo

Ejemplo de melodía y bajo con inversiones

The image displays a musical score in 4/4 time, consisting of a melody in the treble clef and a bass line in the bass clef. The melody is composed of eighth and quarter notes, while the bass line features a mix of quarter, eighth, and half notes. Below the bass staff, figured bass notation is provided for each measure, indicating the harmonic structure and inversions. The figures are as follows:

Measure	Figured Bass
1	I 6
2	IV V
3	6 I 6 IV
4	$\frac{6}{4} \frac{5}{3} \frac{I}{V}$
5	6 I $\frac{6}{4} \frac{I}{V}$
6	I IV
7	$\frac{6}{4} \frac{5}{3} \frac{I}{V}$
8	I

Colocando el resto de voces

The image displays a musical score in 4/4 time, consisting of two staves (treble and bass clef) and a series of figured bass notations below the bass staff. The score is divided into measures by vertical bar lines. The chords are represented by notes on the staves, and the figured bass notation provides a shorthand representation of the harmonic structure.

The sequence of chords and their corresponding figured bass notation is as follows:

- Measure 1: Chord I (C major) and Chord 6 (F major).
- Measure 2: Chord IV (F major) and Chord V (C major).
- Measure 3: Chord 6 (F major) and Chord 6 IV (F major).
- Measure 4: Chord 6 (F major) and Chord 5 (C major).
- Measure 5: Chord 6 (F major) and Chord 6 IV (F major).
- Measure 6: Chord I (C major) and Chord IV (F major).
- Measure 7: Chord 6 (F major) and Chord 5 (C major).
- Measure 8: Chord I (C major).
